## 4TH OF JULY BLOWOUT!

**W**ith glorious sunshine and temperatures in the mid-80's, our Independence Day celebration was a resounding success! 700 members and their guests partook in the revelry, and nothing but fun was had by all.

Entertainment for the party was provided by Energy Productions, with owner Brad Blumenthal emceeing all of the activities. From young to old, our members were on their feet, laughing and dancing all evening. And the music continued right through the fireworks, which Northbrook presented just west of the club, providing ideal viewing from our pool and deck areas. Buffet dining was available in the ballroom and al fresco by the Sidelines Café - with offerings which included hamburgers, hotdogs, barbecued chicken, a variety of unique salads, corn on the cob, cookies, brownies and ice cream bars.

All who were there had only praise for the club's staff, and said that this is an event not to be missed next year!!
